MRS. POLL PARROTT.

She was versed in French and German. She had picked up Spanish, too. And Italian—oh, she talked it. As the dark Italians do. She had even learned some Russian. And a little Portuguese. As for Swedish, she could reel it off as easy as you please. And her lucky husband daily. With a joy that was sublime. Thanked the Lord that she could only speak one language at a time.

## FAIR AT MAYSVILLE

This Fall—Project Taken in Hand By the Eagles

The suggestion of holding an old fashioned Fair here next fall, as mentioned in a recent issue of THE LEDGER, has been seized upon by the Order of Eagles as a good and proper thing, and they now have under consideration the advisability of taking the matter in charge and giving one under the auspices of the local Aerie.

With the numerous and bustling membership there could be no such a thing as failure, and that it could be made the means of swelling the exchequer of the Eagle's, there is not a particle of doubt.

Now is the day of probation; a golden opportunity is yours if you will but accept, if not the Eagle's, some other fellow with an eye to business will step in and head you off.

The people of Maysville and Mason county want a Fair, and the direction of the wind today is that we are to have one.

Set the ball rolling and get ready for a rousing old time Fair sometime in October.

Efforts are being made to organize a military company of Cynthiana.

Mrs. Miller was formerly Miss Emma Glass.

The first few days and nights of March have certainly been other than lamb-like. Saturday night there was a mixture of weather, rain, snow, sleet and wind in abundance, followed on Sunday with sunshine and high, cold winds. The third month has always been considered a whimsical jade; one day gracious and smiling and the next weeping and fretful.

The regular monthly meeting of the City Fathers will be held this evening.

ALL-night banks are not proving popular and profitable in the larger cities. In New York one big bank takes down the night sign today and others will follow. It is said that the propensity of the city depositor is to draw out more money than he puts in.

It is reported that J. PIERPONT MORGAN is showing signs of weakening toward his opponents in the fight to corner the railroads of the earth. Mr. MORGAN is wise enough to see a light and the handwriting on the wall as to the future of the great steel highways.

SPEAKER CANNON, and a party of Senators and members of Congress will sail from New York tomorrow for a cruise to the West Indies, South America, the Panama canal and Cuba. The party will spend two days on the canal zone and will be absent from the United States until April 2d.

HON. SAMUEL H. STONE, of Louisville, appointed by Judge COCHRAN Special Commissioner to sit in the case now at issue between the Kentucky Railroad Commission vs. the L. and N. Railway et als, was Auditor under Governor BRADLEY's Administration, and is a man of wide business experience and ripe judgment. He is the head of the Stone Tobacco Warehouse in Louisville and has other extensive interests.

In the history of canal digging, the unkindest cut of all seems to be the Culebra cut.

Through the efforts of Congressman EDWARDS the appropriation for the new Government Building at London has been made \$115,000; and the Mountain City will therefore boast of one of the finest public buildings in the country. The handsomest Government Building in Kentucky is the one at Covington. It is a gem of architectural beauty.

THE Cincinnati Enquirer, which is generally in close touch with political sentiment in Kentucky, says that Hon. A. E. WILLSON, of Louisville, has a hunch on the nomination for Governor, and that in the event of Republican success in Kentucky this year, Governor BRADLEY will be a candidate for United States Senator. Congressman DON C. EDWARDS is tipped for Chairman of the Louisville convention.

DURING the month of February the excavations from the Culebra cut in the Panama canal amounted to 650,000 cubic yards. It is said that in the near future 1,000,000 cubic yards will be excavated monthly. Some idea of the magnitude of the task of digging the canal may be gathered from the statement that there are still to be taken from the Culebra cut over 100,000,000 cubic yards of rock and earth. The men who are constructing the canal will have to get busy or it will require 15, instead of 8 or 10 years to complete the canal.

THEY COME HIGH—BUT—

A stranger in New York asked a newsboy to direct him to a certain bank, promising him half a dollar for it. The boy took him about three doors away and there was the bank. Paying the fee, the man said: "That was half a dollar easily earned, son." "Sure," said the boy; but youse musn't forget that bank directors is paid high in Noo Yawk."

### BRIDGE STREET

Building Up Rapidly—New Warehouse and Skating Rink

At the rate it is building up it will not be many years until Second street extension will be lined on both sides of the street with business places. M. Brown and associates contemplate the erection, at no late date, on the North side of of the thoroughfare, a two-story warehouse 70x110 feet. It is quite likely that the second floor of the building will be utilized as a skating rink, and in the language of Colonel Sellers, there is millions in it.

Some years ago Maysville had two rinks in operation at the same time, and judging by the attendance, both concerns made money.

### REVIVAL

Dr. Baker's Interesting Meeting at M. E. Church

The revival services at the Third Street M. E. Church will continue on through this week with Dr. Baker as leader, conducting special Bible readings at 2:30 p. m. and evangelistic services each evening, beginning at 7:15 o'clock.

Yesterday's meetings were well attended and good interest shown.

Dr. Baker explains the object of his ministry is more especially directed to bringing the Church up to that state of Christian experience and living that it will continually be in a revival state. He puts before the minds of the people the high standard of the life of purity and power that is possible to every Christian by complete submission to Christ, and opening the doors of the heart for the indwelling of the Holy Spirit.

The Church was crowded last night to hear his sermon on "Visions," which opened up to young people the wonderful possibilities of life if they are obedient to the Heavenly Vision.

## WOMEN SUFFER

Many women suffer in silence and drift along from bad to worse, knowing well that they ought to have immediate assistance.

How many women do you know who are perfectly well and strong? The cause may be easily traced to some feminine derangement which manifests itself in depression of spirits, reluctance to go anywhere or do anything, backache, dragging sensations, flatulency, nervousness, and sleeplessness.

These symptoms are but warnings that there is danger ahead, and unless heeded, a life of suffering or a serious operation is the inevitable result. The best remedy for all these symptoms is

## Lydia E. Pinkham's Vegetable Compound

made from native roots and herbs. No other medicine in the country has received such widespread and unqualified endorsement. No other medicine has such a record of cures of female ills.

Miss J. F. Walsh, of 328 W. 36th St., New York City, writes:—"Lydia E. Pinkham's Vegetable Compound has been of inestimable value in restoring my health. I suffered from female illness which caused dreadful headaches, dizziness, and dull pains in my back, but your medicine soon brought about a change in my general condition, built me up and made me perfectly well."

Lydia E. Pinkham's Vegetable Compound cures Female Complaints, such as Backache, Falling and Displacements, Inflammation and Ulceration, and organic diseases. It is invaluable in preparing for child-birth and during the Change of Life. It cures Nervous Prostration, Headache, General Debility, and invigorates the whole system.

## SHOULD LIVE 100 YEARS

Sir James Crichton Brown's Opinion.

Sir James Crichton Brown, of England, at the Congress of the Royal Institute of Public Health in London, gave a lecture on old age. He states that if every person should live right and take the proper care, to live one hundred years would be a matter of course.

There is no excuse for feebleness at the age of fifty, sixty, or even seventy. In every person there is a constant change taking place in the system, and just so long as the supply equals or exceeds the waste, just so long will old age be warded off.

When one finds their energies flagging, the organs acting slowly and less effectively, the blood sluggish, and in fact "feeling old," then there is nothing known to medicine that will restore elasticity to the step, brightness to the eyes, vigor to brain and muscle, and strength to every organ in the body, so surely as our real cod liver preparation, Vinol.

Vinol contains in a concentrated form all of the medicinal body-building elements of cod liver oil actually taken from fresh cod's livers, the useless oil eliminated and tonic iron added.

We ask every old person in Mayville to try Vinol on our offer to return money if not satisfied.

NOTE—While we are sole agents for Vinol in Mayville, it is now for sale at the leading drug store in nearly every town and city in the country. Look for the Vinol agency in your town.

There were two additions to the Forest avenue M. E. Church yesterday.

Sant Green, an aged colored man, died at his home in East Fourth street, Saturday after a few days illness. Burial tomorrow afternoon at 2 o'clock in Mayville Cemetery.

**Deafness Cannot be Cured**  
by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed, it is like a rubber band closed, and the sound vibrations cannot enter the ear. Unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.  
We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.

## OUR PRIDE IS IN THE WORK HARNESS

Department of our store. By giving special attention to the most minute details we turn out Harness whose longevity rivals that of the Deacon's wonderful one-horse shay, which, as you all know, was so wonderfully constructed that it did not wear out in any one particular place, but, after being used for one hundred years to the minute, went to pieces all at once. Our workmen, being skilled at their work, know, as did the Deacon, that "Tis mighty plain that the weakest place must stand the strainin', 'n the way t' fix it, uz I maintain, is only jes' to make that place uz strong uz the rest." We can give you the names of some of our customers to whom we sold work harness when we first went into business, and which is still as good as new. Do you not think this is full value received for every cent invested?

### HOUSEHOLD CARES

Tax the Women of Maysville the Same  
as Elsewhere.

Hard to attend to household duties  
With a constantly aching back.

A woman should not have a bad back.  
And she wouldn't if the kidneys were well.

Doan's Kidney Pills make well kidneys  
Here is a Maysville woman who endorses this  
claim:

Mrs. Lizzie Bridges, of 206 West Third street,  
Maysville, Ky., says:

In March, 1900, I gave a testimonial recom-  
mending Doan's Kidney Pills and in it I told  
how I learned the great value of this remedy.

I had been troubled with a bad back and weak  
kidneys from girlhood and in my efforts to find  
a cure tried every medicine I could find but  
without benefit until I began using Doan's Kid-  
ney Pills. They proved just the remedy I needed.

They went right to the cause of the trouble and  
as a result brought relief that led me to testify  
in their favor. I have never been without  
Doan's Kidney Pills in the house since. Every  
spring I take a box whether symptoms of kid-  
ney trouble are apparent or not, and in this way  
keep the kidneys in good condition and guard  
against attacks of my old trouble.

For sale by all dealers. Price 50 cents a box  
Foster-Milburn Co., Buffalo, N. Y., sole agents

Remember the name—Doan's—and take no  
other.
